Universal
Turbine Ball Replacement

WeatherPRO's patented internal baffles deflect water and snow, allowing it to drain harmlessly out the drainage openings. Designed to allow high airflow while providing excellent defense against weather infiltration.

- **Replaces traditional "squeaking" turbines easily without removing existing vent base or shingles**
- Fits 12" and 14" bases
- 117 sq. in. net free area
- Available in black, brown, grey or weatherwood UV resistant polypropylene
- Resists crushing, denting and peeling

DESCRIPTION	PART #	CTN. QTY.
Black	6001BL	1
Brown	6001BR	1
Grey	6001G	1
Weatherwood	6001WW	1

When using a Duraflo Turbine replacement top, Duraflo recommends replacing all Turbine tops to ensure a balanced ventilation system.
